The ceremony

This is a formal ceremony so you will need to wear academic dress (gown, hood and mortar board). Details of how to order these are detailed below. The formal part of the ceremony will last for approximately one hour, after which light refreshments will be served and you will have the opportunity to catch up with friends and have any professional photographs taken that you may have ordered.

Due to the large number of students graduating it is very important that all students and guests arrive promptly at the allocated time for registration. There is no car parking at the venue, however there are car parks located in the city centre, so please make allowances for this when planning your journey.
