NEWCASTLE
COLLEGE
UNIVERSITY
CENTRE

WELCOME

Hello and welcome to Newcastle College University Centre. Now is such an exciting time for you and I know that you have lots of decisions to make as you take your next big step towards your future. I'm delighted that you're considering studying a degree with us and I hope you decide that we're the right place for you.

Supporting you through your studies and ensuring you have a brilliant student experience comes first here. Your time here will go beyond your studies and by choosing Newcastle College University Centre, you'll become part of a diverse and vibrant community, benefiting from smaller class sizes and unrivalled student support from a team who truly care about your wellbeing.

Preparing you for your future career is at the heart of everything we do. Whatever you choose to study, you'll benefit from our strong industry links, fantastic facilities and opportunities to work with employers and industry experts, which will help you to be ready for the world of work when you graduate.

You couldn't choose a better time to join us. We've recently invested £2million into brand new facilities across Aviation, Energy, Engineering and Digital Technologies and have plans to invest another £5million over the next three years, ensuring you have access to some of the best equipment around.

During your degree, we'll give you the tools you need to develop your skills and experience and you'll be challenged, inspired and supported to pursue your passion, harness your talent and achieve your full potential.

I hope to be welcoming you onto campus very soon.

Scott Bullock

Principal – Newcastle College University Centre

FACILITIES

DEGREES

A DEGREE WITH A DIFFERENCE

We are committed to ensuring you have an enjoyable and rewarding experience whilst studying at the University Centre. We pride ourselves on offering you an alternative university experience by having:

1 **Smaller class sizes** – benefiting from more one-to-one tutor support and the opportunity to get to know your class and tutor.

2

Practical learning – gain the skills required by industry to get you ready for the world of work.

3

Student support – both in and out the classroom.

4

Dedicated spaces for higher education – a place for you to study, socialise and collaborate with friends.

CERTIFICATE IN HIGHER EDUCATION (CertHE)

This is awarded after one year of full-time study and aims to equip you with the knowledge, research skills and contextualised understanding of theory, practice, trends and developments within the chosen subject area.

FOUNDATION DEGREES

A two-year career-focused qualification that is broadly equivalent to the first two years of an Honours Degree. The aim of a Foundation Degree is to provide you with the employment skills and professional knowledge that you will need to work in your chosen sector. After completing your two-year degree, you will have gained a whole range of skills that will help you when it comes to finding employment. Alternatively, you may wish to progress onto a one-year Honours Degree (Top-Up) at Newcastle College University Centre, to complete your degree studies.

HONOURS DEGREES

We develop and validate our own degree programmes, just like a university. We have a number of three-year Honours Degrees within a variety of subject areas, all of which aim to set you up for employment. With an Honours Degree, you will study for three years with us, and on completion you can start your career in industry or pursue postgraduate studies.

HONOURS DEGREE (TOP-UPS)

We offer a wide range of one-year Honours Degree (Top-Ups), which offer natural progression from a Foundation Degree. These courses are a great way to build on what you have learnt during your Foundation Degree as well as achieving an Honours Degree qualification, to help you stand out in the competitive job market. Many of the Top-Up degrees that we offer allow you to specialise in a specific area, giving you a real edge on other graduates.

DEGREE APPRENTICESHIPS

A Degree Apprenticeship is a three-year work-based qualification that combines invaluable on-the-job work experience with an Honours Degree. Designed in partnership with employers, you will be in full-time employment and combine working with studying at Newcastle College University Centre. Degree Apprenticeships are a professional pathway for your career development. If you are in employment and wish to discover the benefits of a Degree Apprenticeship, get in touch with our Apprenticeships Team.

STUDENT LIFE

At Newcastle College University Centre, we think it is really important for you to experience all aspects of student life. There are plenty of ways for you to get involved in activities on campus, a chance to make new friends and boost your CV at the same time.

STUDENTS' UNION

When you enrol onto a degree course at Newcastle College University Centre, you automatically become a member of Newcastle College University Centre Students' Union, an affiliated member of the National Union of Students (NUS).

You can apply for an NUS Totum card entitling you to a number of fantastic discounts in shops, restaurants and services nationwide. The Students' Union has a range of officer roles available to you as a student. These officers help with the running of the Students' Union as a fair and exciting organisation and represent you around LGBT+ issues, disabilities, higher education and welfare. Officers are elected into post annually by students so make sure you look out for the elections, maybe you will be the next Students' Union President.

STUDENT LEADERS

Our Student Leaders Programme gives you the opportunity to undertake research or similar activities within your discipline and across the University Centre. It also means you are able to make a positive impact on the student experience and contribute to the student community, all whilst gaining valuable employability skills and often a generous bursary.

Find out more about student life at Newcastle College University Centre at www.ncl-coll.ac.uk/study-areas/university-centre

SOCIALISING

Whether you are looking for a café to meet friends or fancy a big night out, you could not choose a better city than Newcastle. Places like Pink Lane Café and Ernest are great locations to take visiting friends to. If a night of sophistication is more your thing, head to the Quayside or Grey Street. If pubs are more your vibe then there are plenty around – The Bridge Tavern and The Forth provide a local atmosphere.

SPORT

Geordies are famous for their sporting pride, be it their beloved Newcastle United playing at St James' Park, the Newcastle Falcons rugby team at Kingston Park or the city's basketball team at Newcastle Eagles. The Eagles arena is only a stone's throw from Rye Hill campus too!

CULTURE

Newcastle-Gateshead is one of the cultural hot spots of the North East. Stroll across the iconic Millennium Bridge and you will find BALTIC Centre for Contemporary Art which hosts exhibitions from leading contemporary artists as well as those new to the art scene. If you are into comedy, head to The Stand on High Bridge Street, billed as 'the best place for comedy'. There's also plenty of museums and art galleries in the city to explore.

SCAN ME

Take a look at student life on campus.

STUDENT WELLBEING

At Newcastle College University Centre, we take the wellbeing of our students seriously. Sometimes you just want some tips on how to unwind or switch off from your studies, and sometimes you may feel like you need some more support. During your studies you'll have access to help and support because we want to make sure you have the best possible experience with us, and that includes supporting you and your wellbeing.

SUPPORT AVAILABLE TO YOU:

FIKA

We have partnered with mental fitness app FIKA, which is a tool you can use to stay motivated, productive, focused and connected as a student. This free app is available for all students at Newcastle College University Centre. Head to ncl-coll.ac.uk to find out more.

COUNSELLING TEAM

We provide a safe and private space for students to openly explore issues they may be experiencing. Counselling sessions normally last around 50 minutes and all information that is discussed is treated confidentially in accordance with the British Association of Counsellors and Psychotherapists (BACP).

CENTRAL SUPPORT SERVICE (CSS)

Our Central Support Service (CSS) provides support, advice and guidance for students with a wide range of learning needs. We want to make sure you have the best possible experience whilst you're a student with us, and CSS is here to help.

URGENT SUPPORT

If you ever feel like you need urgent assistance, we can provide contact details of organisations who can support you when in need. Your wellbeing is important to us, and as a student at Newcastle College University Centre we will do our upmost to ensure that you always feel supported.

SCAN ME

Take a look at our student support.

TUITION FEES

Newcastle College University Centre's tuition fee for full-time undergraduate UK and EU students studying a degree starting in 2024* will be £9,250 per year. You can choose to pay your tuition fees upfront or take out a Tuition Fee Loan from the Student Loans Company, which currently defers payment until individuals earn over £25,000 per year after graduation. You can apply for student finance by registering your details at www.gov.uk/student-finance or alternatively apply for student finance on your UCAS application form.

GOVERNMENT MAINTENANCE LOAN

A Government Maintenance Loan is available to help with your living costs. The amount you can borrow depends on where you live, study and your household income. The maximum Government Maintenance Loan that will be available if you live at home will be up to £8,400 and £9,978 if you're living away from home.**

NEWCASTLE COLLEGE CASH BURSARY

A cash bursary of £1,000 will be offered to new full-time undergraduate home students paying full fees and who meet certain criteria. Eligibility to receive the bursary will be determined by their entitlement to elements of the Student Loan Company's finance packages (i.e. full Maintenance Loan) and will be revisited using this criterion annually.

The bursary is available for each year of the degree course and will help those students most in need with the costs associated with studying a degree, whether it's for accommodation, course materials or anything else that helps them with their studies. Travel bursaries are also available for the first year of study for students living two miles or more away from college and is subject to you achieving 90% attendance.

HIGHER EDUCATION HARDSHIP FUND

The Higher Education Hardship Fund may be available to full-time and part-time students who are experiencing financial disadvantages. We will assess student need for financial assistance before determining whether to award financial support. The funding allocated from the HE Hardship Fund is a discretionary award and is conditional on a minimum attendance of 80%.

* YOU SHOULD EXPECT TO PAY TUITION FEES FOR EVERY YEAR IN ATTENDANCE AND BE AWARE THESE FEES MAY INCREASE ANNUALLY. ON THE BASIS OF CURRENT GOVERNMENT GUIDANCE ANY INCREASE IS UNLIKELY TO EXCEED THE INCREASE IN INFLATION BY REFERENCE TO THE RETAIL PRICE INDEX (RPI).

**PLEASE CHECK WWW.GOV.UK/STUDENT-FINANCE FOR MOST UP-TO-DATE INFORMATION ON STUDENT LOANS.

AESTHETICS AND MAKE-UP

The Aesthetics and Make-Up industry makes millions each year and is growing rapidly to meet the demands of evolving trends and emerging techniques. As an Aesthetics and Make-Up student you will know how important it is to have the right skills for industry and our degrees at Newcastle College University Centre are designed to help you stand out from the crowd.

- online applications are processed within 24 hours then sent to us.

HELP WITH YOUR APPLICATION

If you are at school or college, members of staff may be able to help you with the online application process. Alternatively, you can contact UCAS directly:

0371 468 0468
enquiries@ucas.ac.uk

When you apply, you will need the UCAS code for your chosen course e.g. N200 (this is detailed on each course profile within this prospectus). You can also find this information at **ucas.com**

EXISTING STUDENTS

If you are currently studying with us and wish to apply for a full-time CertHE, Foundation Degree, Honours Degree or Honours Degree (Top-Up), you can apply to us directly. All you need to do is complete a short form on our website and a member of the team will be in touch to discuss your application and the next steps.

To find out more, head to www.ncl-coll.ac.uk/steppin-up

PART-TIME APPLICANTS

If you would like to study one of our degree courses on a part-time basis you can also apply directly to us. Simply visit **ncl-coll.ac.uk** to apply online.

NEED ASSISTANCE?

If you require more information on our degree courses, need help with making your application or require this guide in an alternative format then please contact us on **0191 200 4000** or email **undergraduate@ncl-coll.ac.uk**

You will also need Newcastle College University Centre's code:

The institution code is: **N23**

Newcastle College
Rye Hill Campus
Scotswood Road
Newcastle upon Tyne
NE4 7SA
